## North Shore AFL-CIO Federation of Labor endorses Tim DeGeeter

**PARMA –**

The already impressive list of labor support for Tim DeGeeter's bid for Parma mayor has added another line. On Wednesday night, the North Shore AFL-CIO Federation of Labor voted unanimously to endorse Tim.

The North Shore group joins several Teamster groups, the Workers United Local 168-C, which represents Hugo Boss, the Communications Workers of America, and many others.

Especially in these trying times for organized labor, it is imperative that unions feel they have a strong voice. The list of endorsements for Tim shows that labor believes his is a voice they can believe in.
